Subject: Microsoft Settlement

To the Attorney General's Office --

We are admirers of Microsoft in every way, and do not feel that they have done anything wrong. We are completely in favor of all of their procedures. We feel that the Dept. of Justice has been unfair to them, and have made very unfair decisions in relation to them. Hence, we want to register our desire to see this settlement made with Microsoft , and IN MICROSOFT'S FAVOR.

Thank you, Dr. Robert E. Calmes
and
Mrs. Robert E. Calmes
